

Preparations for our 2025 season are in full swing and we can't wait to share more details with you! As we prepare to welcome some of the country's best actors this summer and share another incredible season of professional theatre, we need your help to make it all possible. Read on for ways to get involved!

***There's still time to make a 2024 year-end donation!***

You heard that right! The government has extended the deadline for making donations eligible for tax support in the 2024 tax year to February 28, 2025.

That means you still have the rest of the month to [make a donation to SLSF](#) to be included in your 2024 taxes.

Have you recently received your Ontario Taxpayer Rebate cheque? Consider using a portion of that to support arts in your community. With funding to the arts being reduced at all levels, your support matters more than ever.

We hope you'll consider showing some support to SLSF and help us continue the tradition of world-class professional outdoor theatre in Eastern Ontario!

Interested in adding some excitement to your summer and supporting the Festival at the same time?

Then we hope you'll consider welcoming one of our visiting artists into your home

for the season!

Each year our wonderful community opens up their homes to welcome artists from across the country to Prescott and the surrounding area, where they will spend the summer creating magical theatre for all to enjoy.

Billets are an integral part of the Festival, allowing us to bring some of the most exciting Canadian artists to create with us.

Benefits include free tickets and getting an insider's view into the life of an actor! You don't have to cook or clean for them – just a bedroom and some room in the fridge.

To express interest and start the conversation, simply [fill out the form here](#) or email [ad@stlawrenceshakespeare.ca](mailto:ad@stlawrenceshakespeare.ca) and we'll reach out to you with next steps.

AND if you have friends that you think may be interested, please help spread the word!
